OTHONIEL "Monumental Sculptures" Galerie Perrotin, Hong Kong / May 13 - June 21, 2014

Galerie Perrotin, Hong Kong, is proud to present the solo exhibition, "Monumental Sculptures", of the French contemporary artist, Jean-Michel Othoniel. He was born in 1964 in Saint-Étienne, France. He now lives and works in Paris.

Othoniel creates forms that are inherently poetic by rooting his works in abstractness and contemplation. In this solo exhibition at Galerie Perrotin, Hong Kong, the artist has collaborated with a Feng Shui Master in determining the forms and colors of his sculptures. As an outcome of the artist's psychology, the individualism and the sentiments invested in the forms originate in human life generally. While Feng Shui is a Chinese philosophical system of harmonizing the human existence with the surrounding environment, the idea conforms to the artistic approach of Othoniel, who constantly seeks to relate his works with regard to the nature, to the world and to the space they inhabit. The rotation of the beads is the gesture and movement of these monumental glass and aluminum sculpture in the gallery room, through which the sculptor brings out the intrinsic beauty and variability of the knots he invented. Due to the abstract and minimal quality of these sculptures, we are confronted by a dialogue of visibility, of whether the space is adorned by the works or actually the works are celebrated by the space.

"Double Collier Autoporté Or", imposes its presence and orderliness over the entrance of the building. As for the forms of the three knots sculptures, "Noeud rose miroir", "Noeud rouge miroir" and "Noeud ambre miroir", that reside in the main space of the gallery, Othoniel has opted for a kind of emotional geometry.

Jean-Michel Othoniel has always shown a strong passion towards commissioning for specific sites. In 2000, he responded for the first time to a commission for a public space and transformed the Paris subway entrance at the Palais-Royal-Musée du Louvre station, into a "Pavilion of the Nightwalkers". The Hara Museum of Contemporary Art has invited him in 2009 to create a new sculpture in Gunma, "Kokoro", installed at the entrance of the museum. In 2013, the Mori Art Museum in Tokyo commissioned him, for its 10th anniversary, "Kin no Kokoro", a permanent work in the Mohri Garden. In September 2014, he will inaugurate a group of three majestic fountain sculptures in the gardens of the Palace of Versailles, at the Water Theatre grove reinterpreted by the landscape designer Louis Benech; "The Beautiful Dances", will thus become the first permanent work commissioned from a contemporary artist since Louis XVI.

The exhibition "Monumental Sculptures" is part of the festival Le French May 2014.

OTHONIEL - 《Monumental Sculptures》 貝浩登 (香港) 2014 年 5 月 13 日至 6 月 21 日

貝浩登 (香港) 很榮幸為法國當代藝術家 Jean-Michel Othoniel 舉辦《Monumental Sculptures》個展。Othoniel 1964 年生於法國聖艾提安，現於巴黎居住及創作。

Othoniel 的雕塑植根於抽象與沉思，造型蘊含詩意。在這次個展，他與風水大師合作，用心構思作品的形態與色彩。不同形態的雕塑，各具個性與感情，多是源於真實人生，反映了藝術家的內心世界。風水是中國人與周圍環境和諧共處之道，正好符合 Othoniel 的藝術理念——盡量把作品與自然、世界和所在空間連繫一起。展廳裏高大的玻璃和鋁雕塑，配以扭轉珠鍊，盡現美態與動感，從而帶出環結藝術之美及其變化多姿。面對這些既抽象又簡約的雕塑，觀者會問：是作品豐富了展覽空間，還是展覽空間突顯了作品？

畫廊大樓的入口，因作品《Double Collier Autoporté Or》而變得氣派不凡，井然有序。至於主展廳，3 件環結雕塑《Noeud rose miroir》、《Noeud rouge miroir》和《Noeud ambre miroir》，分離中見互動，自成一套情感幾何學。

Othoniel 喜歡接受訂製委約，為特定地點創作雕塑。2000 年，他首次應邀做公共藝術，把巴黎的王宮-羅浮宮地鐵站出口轉化為作品《Pavilion of the Nightwalkers》。2009 年，原當代藝術美術館邀請他到群馬縣創作《Kokoro》，完成後擺放在美術館入口。2013 年，東京森美術館慶祝成立 10 週年，特別邀請他創作《Kin no Kokoro》，作為毛利庭園永久展品。2014 年 9 月，Othoniel 會在經園林設計師 Louis Benech 重新演繹的凡爾賽宮花園水劇院叢林園豎立一組 3 件的雄偉噴泉雕塑，作品取名《優美之舞》(The Beautiful Dances)，是路易十六以來獲邀當代藝術家所創作的第一件永久展品。

展覽《Monumental Sculptures》為 2014 年《法國五月》的節目之一。

Born in 1964 in Saint-Étienne, France, Jean-Michel Othoniel lives and works in Paris.

SOLO SHOWS (selection)

- 2015** "Othoniel", Kukje Gallery, Seoul, South Korea; "Othoniel", Isabella Stewart Gardner Museum, Boston, United States; "Le Trésor", Cathédrale Saint-Pierre d'Angoulême, Angoulême, France
